### Schedule

We will do a whole group warm up at the start of the session and then teachers must send their athletes to the correct starting event. Every pupil will compete in 2 field events- One must be a jump event (long jump or speed bounce) and one must be a throw event (shotput or javelin). Girls will compete in the field events first whilst the boys compete in an organised activity where they will then rotate.

Please make sure you pick 2 boys and 2 girls from each year group to compete in each set of events and make sure they know what events they will be doing.
