**Sequence Builder**

**Instructions** - Write or draw an element (balance, roll, jump) in each of the boxes below to create a sequence!

**Remember you need:**
- A clear start position
- 2 Balances
- 1 Jump
- 1 Roll
- A clear end position

Can you write or draw the different ways you will travel in between your elements?

1.  
2.  
3.  
4.
